

The EU4BCC project is being developed in the framework of the Eastern Partnership (EaP), which was launched in 2009 in order to deepen and strengthen relations between the European Union (EU), its Member States and its six Eastern neighbours (Armenia, Azerbaijan, Belarus, Georgia, Moldova and Ukraine).

EU4BCC is an umbrella initiative that covers all EU activities supporting small and medium-sized enterprises (SMEs) in the Eastern Partnership countries.

An initiative of the European Union

EU4Business: Connecting Companies

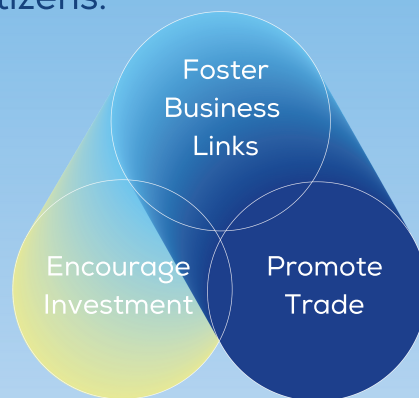

'EU4BCC is a project managed by EUROCHAMBRES and funded under the EU4Business initiative of the European Union. The EU4BCC project is due to end in December 2022.

EU4BCC builds upon the positive results of the successful East Invest projects that were developed by EUROCHAMBRES from 2010 to 2017.

General Objectives

'EU4BCC project will contribute towards the development of sustainable and equitable economic growth models in the EaP countries, which can generate more investments and improve socioeconomic conditions and employment opportunities for citizens.

'The project will support a wide range of activities for Business Support Organisations (BSO), to enhance the internationalisation of EaP SMEs, helping businesses export capacities and access to new markets.

Sectors of activity

Bio / organic food
Creative industries
Textile
Tourism
Wine-making

Beneficiaries

The project will target BSOs and SMEs from the 6 EaP countries will benefit from the actions, especially those with an international potential:

Business to Business matching to enhance contacts and trade opportunities

Study visit to learn "on site" from other BSOs,

Twinings to increase knowledge on trade environment and investment opportunities
