NB: If the final actual eligible costs of the activity are lower than the provisional budget presented by the BSOs partnership, EUROCHAMBRES' co-financing will represent 95% of these costs, On the contrary, if the final actual eligible costs are higher than the provisional budget, EUROCHAMBRES co-financing will represent 95% of the provisional budget.

Article 5. Role of the **name of the sector** Sectorial Consortium (SC)

5.1 Training of the Beneficiaries

The **name of the sector** SC will be responsible for preparing and implementing a one-day Grant Implementation Training.

The training will be given by the **name of the sector** SC staff.

The training will provide the beneficiaries with information on basic project management, grant implementation, record keeping, and procurement procedures. It will also include aspects pertaining to applicable EU visibility rules, the improvement of networking skills and the use of social media, at least.

Costs for the foreseen visits to Brussels shall be included in the provisional budget (Annex 3).

5.2 Assistance to the beneficiaries of the financial support (BSOs implementing the activities)

The **name of the sector** SC will provide ongoing assistance to the BSOs Partnership on all aspects of the project management, especially on project implementation (including procurement and visibility rules). This assistance will mainly be offered via MIS, monitoring visits and, if required, spot checks.

The **name of the sector** SC will perform a full check of interim/final reports (narrative and financial, including supporting documents) submitted by the beneficiaries and will approve or reject costs, explaining in the MIS the reasons of their decision, providing EUROCHAMBRES with an indication of the issues and aspects to be further checked.

5.3 Monitoring of the activities implemented by the Beneficiaries

Quantified and objectively verifiable indicators on each project (ref. is made to the financed activities, financial support to third parties) will be identified and relevant data will be collected during the first monitoring visits as well as from the description of the action of each project in order to prepare the monitoring and evaluation of the realisation of the outcomes.

The **name of the sector** SC will regularly collect data from the projects towards the realisation of these indicators and will present achievements through the MIS to the EUROCHAMBRES' team.

5.4 Help for the amendment to the contract, if needed

The **name of the sector** SC will assist the beneficiaries in drafting their contract amendment requests, if needed.

Article 6. Role of the Leader of the BSOs Partnership

The Leader of the BSOs Partnership is the main interlocutor of EUROCHAMBRES and of the Sectorial Consortium. His/Her role is to:

1. Act as the intermediary for all communications between the beneficiaries and EUROCHAMBRES and the Sectorial Consortium
2. Monitor and control the project's work plan and that the action is implemented properly
3. Arrange BSOs Partnership meetings and subsequent reporting
4. Implement quality procedures for the project
5. Gather, monitor and consolidate the narrative and financial reports of periodical reports
6. Prepare, manage and coordinate project's financial checks
7. Manage the project resources, including budget-related issues
8. Dispatch within the indicated time payments to the beneficiaries
9. Facilitate communication within the BSOs Partnership on administrative matters
10. Handle outstanding administrative issues like contract amendments
11. Consolidate project's deliverables and reports and maintain Quality Assurance
12. Upload all the related project documentation in the EU4BCC Management Information System (MIS).

Article 7. Obligations of the beneficiaries – Delay in the implementation of the action – Exclusion of a beneficiary

The beneficiaries shall be jointly and severally liable towards EUROCHAMBRES for the performance of the grant contract.

In addition:

- a) The beneficiaries commit themselves to:
 - (i) timely complete – to the highest standards – the activities are foreseen in the **sector and the title of the project** BSOs Partnership proposal
 - (ii) prepare by set deadlines the interim and final narrative and financial reports as well as all supporting documents duly signed by the leader of the **sector and the title of the project** BSOs Partnership and send it within the agreed deadlines to the **name of the sector** SC's coordinator
 - (iii) provide EUROCHAMBRES in due time, and in any case, no later than 15 days after receiving EUROCHAMBRES' request, all the documents and information to be submitted in the MIS.
- b) In case of any delay in the execution of the action, the Leader of the BSOs Partnership shall immediately inform **name of the sector** SC's coordinator, providing her/him with detailed information about the causes hereof and the corrective measures proposed, without impact on the agreed budget
 - (i) In case of unjustified delay caused by one of the beneficiaries, the Leader of the BSOs Partnership shall send a formal demand of justification to the member under question, with a copy of **name of the sector** SC's coordinator;
 - (ii) If the concerned beneficiary doesn't reply for a period of 7 working days, the Leader of the BSOs Partnership should inform **name of the sector** SC's which will submit the case to EUROCHAMBRES;

- (iii) Shall EUROCHAMBRES decide that the concerned beneficiary will be excluded from **sector and the title of the project** BSOs Partnership, EUROCHAMBRES may request the reimbursement of any advance payment unduly received without providing the failing member with a notice period or compensation;
- (iv) If the **sector and the title of the project** BSOs Partnership is composed of only 2 members, EUROCHAMBRES will consider the replacement of the beneficiary or to end the action after consultation of DG Near;
- (iv.i) If the **sector and the title of the project** BSOs Partnership is composed of more than 2 members, EUROCHAMBRES will consult DG Near to check whether the tasks will be redistributed among the remaining BSOs Partnership members or if a new BSO will be selected.

Article 8. Contact addresses

8.1 Any communication relating to this contract shall be in writing, state the number and title of the action and be sent to the following addresses:

For EUROCHAMBRES

Payment requests and attached reports, including requests for changes to bank account arrangements, shall be uploaded in EU4BCC Management Information System - MIS

8.2 For the BSOs Partnership

Name and the contact details of the contact person

8.3 For the Sectorial Consortium

Consortium Coordinator: **Please insert e-mail address of the Consortium Coordinator**

Article 9: Subcontractors

The beneficiaries are allowed to subcontract part of the action. Activities subject to subcontracting are subject to the procurement procedure as set out in Annex G IV: Contract Award Rules (Annex to the BSO guidelines).

The beneficiaries cannot be subcontractors in the action.

In case the beneficiaries want to hire a subcontractor, they must ensure the following conditions are complied with:

- subcontracting does not cover core tasks of the action,
- recourse to subcontracting is justified because of the nature of the action and is necessary for its implementation,
- the estimated costs of the subcontracting are clearly identifiable in the estimated budget set out in Annex 3,
- any recourse to subcontracting, if not foreseen in Annex 3 (Provisional Budget), shall be communicated without delay to the Project Coordinator for approval,

EU4BUSINESS : CONNECTING COMPANIES

EXTERNAL ACTIONS OF THE EUROPEAN UNION

Reference ENI/2019/411-865

When subcontracting, the beneficiary shall take all necessary measures to prevent or end any situation that could compromise the partial and objective performance of the action.

The beneficiary must make sure that the subcontractor shall take all the necessary steps to publicise that the EU has co-financed the action. Such measures should be in line with article 10 of the contract.

Article 10. Visibility Rules

When implementing the action, the beneficiaries should ensure the visibility of the action as provided by the Visual Identity Guidelines (Annex 5).

In terms of communication, the twinings, study visits and the B2B matchings are events which will be promoted and recorded (pictures, short video declarations, etc.), to offer input for both the website's news section and for the social media channels. To this end, the beneficiaries should make sure to collect the participants' consent.

Such written consent shall be formally included in the narrative reports to EUROCHAMBRES, which the deliverable refers. (Annex 6: Consent for the use of Video-Picture-Data).

Shall any deliverable submitted by the **sector and the title of the project** BSOs Partnership include pictures, video or audio recording of any person, the **sector and the title of the project** BSOs Partnership shall ensure that it has obtained and collected the explicit consent of the relevant person to be filmed or recorded and his image and/or voice to be used with no limitation. Such written consent shall be formally submitted to EUROCHAMBRES by the BSOs Partnership for each deliverable or activity finalised.

No additional website can be created for the EU4Business: Connecting Companies project. The website for all actions (with specific pages for each sector) is <https://connectingcompanies.eu/>

All beneficiaries of the actions will have to liaise with the Sectorial Consortium managing their sector and send information to be published on the official website of the project <https://connectingcompanies.eu/>

Websites of the beneficiaries can be updated during the action, links to the official page of the project can be embedded, and notice of support from the EU has to be incorporated as above explained.

Social media channels need to be created by the **sector and the title of the project** BSOs Partnership for the sector and by all beneficiaries for each action. Posting and re-posting/sharing is strongly encouraged between the network of social media channels (formed by beneficiaries, consortia members and EUROCHAMBRES).

In accordance with the social media strategy of the project, communication in general and posts, in particular, should present the project as a valuable opportunity for BSOs to connect, to acquire knowledge, to exchange best practices; and for the SMEs to get in touch with potential partners, to increase their network of contacts, to have opportunities for better trade, development and internationalisation.

Article 11. Processing of general data

Shall the **sector and the title of the project** BSOs Partnership deliver any activity or product where personal data concerning a specific person are mentioned or included, the **sector and the title of the project** BSOs Partnership acknowledges it has to ensure it has obtained and collected the explicit consent of the relevant person to provide, process, store and transfer such data under the GDPR and any other national applicable law, with no limitation (Annex 7: Privacy Policy).

Article 12. Ownership of the results -Pre-existing intellectual rights

12.1 Ownership. The **sector and the title of the project** BSOs Partnership has the ownership of the results of the action. The **sector and the title of the project** BSO Partnership agrees that all results or rights attached to the activities/products delivered under this contract, including copyright and other intellectual or industrial property rights (such as – but not limited to – trademark or design right) can be used by EUROCHAMBRES and by the European Commission with no limitation in the framework of the grant contract ENI/2019/411-865 and following amendments.

Shall the **sector and the title of the project** BSOs Partnership use the results of the action performed under this contract, the **sector and the title of the project** BSOs Partnership will use the following mention “results /... obtained within EU4Businesss: Connecting Companies Project”.

The **sector and the title of the project** BSOs Partnership agrees to grant EUROCHAMBRES and the European Commission the rights of reproduction, communication to the public, distribution, adaptation of the results.

The **sector and the title of the project** BSOs Partnership agrees to grant EUROCHAMBRES and the contracting authority any copyright or other intellectual property right and the exclusive rights on any other data or material used or subsisting in the final product for which this contract is signed or service delivered, whether finished or unfinished.

12.2 Pre-existing intellectual rights If any third party intellectual, industrial property rights are used for the implementation of this contract, the **sector and the title of the project** BSOs Partnership ensures that it has secured all necessary consents and approvals to use such third party intellectual property rights (or transfer them where requested) and shall provide a list of such third parties to EUROCHAMBRES with the submission of each report (interim or final) .

Shall EUROCHAMBRES or the contracting authority require so, the **sector and the title of the project** BSOs Partnership shall provide evidence that it has the ownership or the right to use all the listed pre-existing rights, except for the rights owned or licensed by the European Union.

This evidence may refer, for example, to rights to: parts of other documents, images, graphs, fonts, tables, data, software, technical inventions, know-how, IT development tools, routines, subroutines or other programs (‘background technology’), concepts, designs, installations or pieces of art, data, source or background materials or any other parts of external origin.

This evidence must include, as appropriate:

- (a) the name and version number of a software product;*
- (b) the full identification of the work and its author, developer, creator, translator, data entry person, graphic designer, publisher, editor, photographer, producer;*
- (c) a copy of the licence to use the product or of the agreement granting the relevant rights to the contractor or a reference to this licence;*

Article 13. Recovery of undue payment

If any amount is unduly paid to the **sector and the title of the project** BSOs Partnership or if the recovery is justified under the terms of this contract, the Leader of the BSOs Partnership undertakes to repay EUROCHAMBRES within 45 days of the issuing of the debit note, and the accompanying letter by which EUROCHAMBRES sends the request of the amount to be reimbursed.

The amount to be repaid to EUROCHAMBRES may be offset against payment of any kind due to EUROCHAMBRES by any of the beneficiaries after prior written information. This shall not affect the parties' rights to agree on payments by instalments, in case EUROCHAMBRES agrees to it.

Article 14. Obligations of Keeping Records – supporting documents – EU Checks and Audits

This contract is signed in the framework of the EU4BCC grant agreement ENI/2019/411-865.

Therefore, in line with the provision of the general conditions of the EC grant agreement applicable to the present contract (Art. 16 Annex 1: General Conditions), the beneficiaries will have to keep all the technical and financial documentation for 5 years after the final payment of the balance is received by EUROCHAMBRES.

Upon request of the Auditors of the EC, the beneficiaries will have to provide all the requested documentation within the delay foreseen in the request letter.

Article 15. Liability

The **sector and the title of the project** BSOs Partnership shall be solely responsible towards third parties, including liability for damage and injury of any kind sustained by its subcontractors while the action is being carried out or as a consequence of this action.

The **sector and the title of the project** BSOs Partnership shall discharge EUROCHAMBRES of all liabilities arising from any claim or action brought as a result of an infringement of rules or regulations by any of the beneficiaries or by any of the beneficiaries employees who shall be considered as third parties.

Article 16. Early termination for the grant contract

EUROCHAMBRES may proceed to early termination of the contract should the EU grant contract it has signed with the EC be terminated for any reason.

In this case, the **sector and the title of the project** BSOs Partnership will be informed accordingly in due time and shall take all immediate steps to bring the action to complete closure in a prompt and orderly manner and to reduce further expenditure to a minimum,

If the performance of the **sector and the title of the project** BSOs Partnership is not one of the reasons for the early termination of the contract, the **sector and the title of the project** BSOs Partnership shall be entitled to payment only for the part of the action carried out, excluding costs related to the ongoing

commitments that are due to be executed after the termination of the contract between the EC and EUROCHAMBRES.

Article 17. Amendment to the contract

No amendment, modification or addition to this contract shall be effective or binding on either party unless agreed upon in writing and signed by their duly authorised representatives.

The contract will be amended in case:

- a) the **sector and the title of the project** BSOs Partnership requests a significant change in the description of the action and on the agreed budget. The Leader of the BSOs Partnership should send a duly justified request through the MIS for approval, **at least 30 days** before the amendment is intended to be used / in place.
- b) if the **sector and the title of the project** BSOs Partnership, after having received the written and explicit agreement from EUROCHAMBRES, adds a new member in its own composition.

Article 18. Applicable law and settlement of dispute

This contract is subject to Belgian Law. Any disputes arising from this agreement which cannot be resolved amicably between the parties, shall be submitted to the Belgian Courts.

Article 19. Annexes

19.1 The following annexes to the contract form an integral part of the contract:

- Annex 1 Provisions of the general conditions of EU4BCC grant contract signed with the EU applicable to the contract (Annex G II: General Conditions)
- Annex 2 BSO Partnership Proposal and Logframe
- Annex 3 BSO Partnership Budget (worksheets 1 and 2)
- Annex 4 BSOs Guidelines (and Annexes)
- Annex 5 Visual Identity Guidelines
- Annex 6 Consent for the use of Video-Picture-Data.
- Annex 7 Privacy Policy

19.2 In the event of a conflict between the provisions of the present special conditions and any annex thereto, the special conditions shall take precedence. In the event of a conflict between the provisions of Annex 1 and those of the other annexes, those of Annex 1 (General Conditions) shall take precedence.
